

Violin Lesson Policy

1. Monthly violin tuition is due the last week of the preceding month. Please make checks payable to Jenny Jensen.
2. Make up policy: Cancellation is required one week in advance with no exceptions. There are no make-ups for illness, school parties, going to grandma's house, not practicing, etc.
3. Parents may sit in on lessons, however please stay in the music room. Please do not bring young children that will be a distraction during the lesson. Do not allow your children to wander through the house, as my children are often napping during lessons. If you can remember, I prefer that you knock rather than ring the door bell.
4. Recitals: I typically have two recitals a year. Each recital fee is \$5 which is applicable to all students participating. An additional piano accompaniment fee of \$20 applies to students using Brian Jensen as their pianist. Piano accompaniment is required, however you may use another pianist if you desire.
